

PORTFOLIO

My name is Serhii. I have been translating programs and games into Ukrainian for over 3 years. I enjoy it. My dream is for every program and game on any platform to have high-quality Ukrainian localization. I am a quick learner and would be happy to become part of your team. Below is a list of my work.

Manushkevych Serhii

TRANSLATED PROGRAMS:

	<p>Fully localized into Ukrainian.</p> <p><i>Translation supported up to version v9.1.2109.0</i></p>
--	--

TRANSLATED GAMES:

	<p>Fully localized into Ukrainian.</p> <p><i>Support for the latest game version</i></p>
	<p>Fully localized into Ukrainian.</p> <p><i>Support for the latest game version</i></p>
	<p>Fully localized into Ukrainian.</p> <p><i>Support for the latest game version</i></p>
